**Participant Services Policy Manual**  
**Subsection 12.9, Title: Scope of VR Services; Post-  
Employment Services**

---

**Post-Employment Services**

Post-employment services may be provided after an individual has achieved an employment outcome if needed for a participant to maintain, regain, or advance in employment. The intent of post-employment services is to ensure the employment outcome remains consistent with the participant's strengths, resources, priorities, concerns, abilities, capabilities, interests, and informed choice. The definition of post-employment services may be found in [34 CFR 361.5 \(c\) \(41\) Applicable definitions: Post-employment services](#).

Post-Employment Services are not available to employed participants once the VR case is closed (the employed participant "exits" the VR program). If a participant requires additional VR services/goods following their exit from the program, a new case must be opened.
